

Delta-Q Industrial Battery Chargers

Durable, efficient chargers built for reliability and charging performance

- Optimized charge profiles for battery brands and types ensures improved battery life and performance
- All Delta-Q chargers are IP66 sealed and tested to automotive standards for long service lives

IC650 Battery Chargers

- Change charge profiles with touch of a button
- USB host port for data download / software update
- AC/DC cables are field-replaceable
- Dimensions: 9.9 x 7.3 x 3.1" (25.2 x 18.6 x 8.0 cm)

Distributor Part no.	Delta-Q Part no.	Product Description	Voltage	Current
23-9400001	940-0001	24V IC650 Base (650W)	24 V	27 A
23-9400002	940-0002	36V IC650 Base (650W)	36 V	18 A
23-9400003	940-0003	48V IC650 Base (650W)	48 V	13 A

QuiQ Series Battery Chargers

- Multi-color LED indicator for charging status and fault/error
- Integrated charge cycle and event tracking
- Dimensions: 11 x 9.7 x 4.3" (28.0 x 24.6 x 11.0 cm)

Distributor Part no.	Delta-Q Part no.	Product Description	Voltage	Current
23-9122400	912-2400	QuiQ 1000 standard (695W)	24 V	25 A
23-9123600	912-3600	QuiQ 1000 standard (875W)	36 V	21 A
23-9124800	912-4800	QuiQ 1000 standard (1000W)	48 V	18 A
23-9127200	912-7200	QuiQ 1000 standard (1000W)	72 V	12 A
23-9123600-D1	912-3600-D1	36V QuiQ w/remote LED (875W)	36 V	21 A
23-9124800-D1	912-4800-D1	48V QuiQ w/remote LED (1000W)	48 V	18 A
23-9144800-01	914-4800-01	QuiQ1500 (1200W @ 110VAC/ 1500W @ 208/230/240 VAC)	48 V	18 A

Chargers for Scissor Lifts

- Fits the exact cabling, installation points and output power for 24V scissor lifts
- All equipped with charge profile (#17) suitable for charging wet, AGM or gel

Distributor Part no.	Delta-Q Part no.	Product Description	Voltage	Current
23-9400021	940-0021	IC650 Genie / Skyjack AWP aftermarket kit w/o interlock (650 W) Replaces Genie part no. 105739 and Skyjack parts 161827/161828	24 V	27 A
23-9122400-16	912-2400-16	QuiQ JLG 24V aftermarket Replaces JL1001112111 / JL400238 24V Charger	24 V	25 A
